

Aquatics Director

Job Description

The Aquatics Director is responsible for ensuring a safe aquatic experience for all swimmers at the Four Seasons YMCA branch. This position will hire, train and assist either directly or indirectly in the continued certification for all aquatic staff members. In addition, this person will develop, expand and grow all aquatic programs and membership goals as they relate to aquatic participation.

Qualifications

- Bachelor's degree in related field or equivalent.
- Minimum two years related experience preferred; for example, as an aquatics coordinator or supervisor.
- Must hold and maintain current certifications in Lifeguarding, Swim Instruction, First-aid and CPR-Pro, AED and Oxygen Administration. Additional YMCA aquatics certifications are a plus.
- Complete the POOL Operator Course within 1 year.

Benefits

Hourly Full Time (30-40 hours a week) Nonexempt position. Free YMCA Membership and YMCA retirement available after two years of employment. This position does not include health benefits.
